Dear Potential Sponsor,

The Washington Area Model United Nations Conference, affectionately known as WAMUNC, is a four day United Nations simulation that gives approximately 1500 high school students from around the world a chance to tackle real global issues. In the span of a single weekend, these motivated and passionate students gather in the United States capitol of the District of Columbia to practice their diplomatic finesse and negotiating skills. Amongst globally-minded peers, delegates create potential solutions to global issues while also building lasting friendships.

WAMUNC is an experience unparalleled by most other opportunities presented for high school students. Staffed by over 200 of George Washington University's undergraduate students on a volunteer basis, the conference is one of the largest events hosted by GW's student body. Fostering a feeling of student engagement and school spirit amongst university students, WAMUNC draws in current undergraduates and attracts prospective students alike.

Being a sponsor for WAMUNC is about more than helping the conference with its financial aspects. Contributions help provide these students with the chance to improve their problem-solving skills by tackling international issues with both abstract and concrete approaches. Through meaningful debate, WAMUNC fosters an environment in which delegates are able to develop critical skills and molds the future leaders of tomorrow.

Over the past 21 years, the conference has grown from a small, intimate gathering on the George Washington University's campus to one of the largest student run events hosted at the Grand Hyatt Washington. We hope to mark our 21st year of growth and impact with great success, but we can only do so through the help of our partners and sponsors. Thus, we invite you to be part of the WAMUNC family with your thoughtful contributions, and we cannot wait to uphold the reputation the Washington Area Model United Nations Conference is renowned for.

Warmest Regards,

Secretary General of WAMUNC XXI

WE ARE WAMUNC

WAMUNC prides itself on being one of the premier high school Model United Nations conferences in the world. Our ability to host a large number of delegates, but maintain a high level of intimacy that customizes each delegate's WAMUNC experience is what makes us special.
